

## PIC-NIC ISLAND ILOVIK

### BOAT TOUR - M/B PIRAT

After a pleasant one-hour boat trip, you arrive at the island of Ilovik. The islands of Ilovik and St. Peter are the extension of the southern part of Lošinj separated by the Strait "Door of Ilovik". The island Ilovik has a surface of 5.8 km<sup>2</sup> and 15.4 km of coastline. A canal between Ilovik and St. Peter approximately 2.5 km long and 300 m wide divides the two islands. Therefore, these waters are protected against stormy winds, offering yachts and smaller boats protection. Only one village is located on the island. The island has a Mediterranean vegetation, with different types of flowers, different oleanders, palms and Eucalyptus trees. The island is often referred to as the flower island. Discover Ilovik accompanied by our tour guide. After sightseeing and free time on the island, at the appointed time, picnic is organized. The offer includes meat or fish menu.
